experiencing the lifespan draws from a variety of cultures around the world to tell the story of human development communicating the science and human

impact of developmental psychology in a highly conversational style

taking a broad perspective the book reviews theory and research on loss and trauma as a result of the death of close friends and family divorce unemployment homelessness war and violence and genocide and discusses relevant therapy approaches for coping with major loss

what is the american dream this book s author argues that contrary to what many believe it is not achieving the wealth necessary to enter the top one percent but rather becoming members of the great middle class by dint of hard work and self discipline americans of all classes consider themselves to be middle class there are americans who by any objective standard should be considered poor who would insist they are middle class just as other americans who should be considered wealthy also insist they are middle class thinking of yourself and being thought of by others as middle class is the american dream for tens of millions of people but an enduring problem of the american middle class is the worry that the dream is coming apart that forces are lurking in the shadows waiting to steal their progress and throw them back into poverty this thought provoking reference explores a disparate multitude of issues associated with being middle class in america it addresses a range of questions and subtopics including the meaning of the term middle class how middle class status is expressed by both the majority and the various minorities that make up the american mosaic what economic pressures are bearing down on the middle class and how economists and others attempt to make sense of the economic issues of the day readers will also better understand how political institutions and public policies are shaping the way the middle class views the world how labor housing education and crime related issues have influenced the development and growth of the middle class the norms of the middle class versus those of other classes in society and the role of culture and media in shaping how members of the middle class view themselves and how they are viewed by others this two volume set provides a comprehensive look at the american middle class that supports student research in economics social studies cultural studies and political history the content supports teachers in their development of lesson plans and assignments that directly align with the common core state standards and the recommendations of the national curriculum standards for social studies ncsc with respect to all ten ncsc themes

a hard hitting analysis of how the disparity between wealth and poverty undermines the common good the growing gap between the most affluent americans and the rest of society is changing the country into one defined more than almost any other developed nation by exceptional inequality of income wealth and opportunity this book reveals that an infrastructure of inequality both open and hidden obstructs the great majority in pursuing happiness living healthy lives

and exercising basic rights a government dominated by finance corporate interests and the wealthy has undermined democracy stunted social mobility and changed the character of the nation in this tough minded dissection of the gulf between the super rich and the working and middle classes ronald p formisano explores how the dramatic rise of income inequality over the past four decades has transformed america from a land of democratic promise into one of diminished opportunity since the 1970s government policies have contributed to the flow of wealth to the top income strata the united states now is more a plutocracy than a democracy formisano surveys the widening circle of inequality s effects the exploitation of the poor and the middle class and the new ways that predators take money out of americans pockets while passive federal and state governments stand by this data driven book offers insight into the fallacy of widespread opportunity the fate of the middle class and the mechanisms that perpetuate income disparity
